Hi Tina;

Attached is the draft 9/5 NWG agenda, open for comments. DEQ will post when everybody is done looking at it.

I have you in there in the discussion of aggregate criteria. I want to present the case that aggregate criteria are not the way to go for MT.

We discussed this but I can't remember if you gave me any materials or something we could put in a Powerpoint; can you help me out here?

Thanks, Mike

P.S. change of plans, I am here all the way up to the 9/5 meeting but going to field on the 6th.
